

<IMPORTANT! />

- Make sure you **remember** the **email/username and password** that you use for your **student login**. If you are forgetful write it down somewhere, no excuses.
- **Treat every equipment** (iMacs, keyboard, mouse & etc) at 42KL **as your own**. Treat the 42KL building as your home. Always **be mindful** that we are providing everything to you at no charge and all we ask from you is to **be respectful** and take care of all the items in your surroundings.
- Our labs are open daily 24 hours. You are **expected to spend 6 -8 hours everyday during your Piscine journey**.
- Pick and choose any iMac that you prefer and login with your student credentials. **Please bring your own earphones / headphones**.
- You are also allowed to bring your own keyboard and mouse should you have your own preferences.
- It is best to bring a sweater / jacket as it can get pretty cold in 42KL as this is necessary to keep our iMacs cool.
- After you have signed into our 42KL Discord server, please ensure that your username follows our naming convention: **XXXX | STUDENT ID** with XXXX being your name. **For example: John Doe | jdoe**
- Your student ID is the ID that you use to log into the iMac and 42 Intra.
- Read the Code of Conduct in the **"IMPORTANT #-agreed"** channel.

<WHAT IS THE PISCINE? />

- **Probationary period** you have to pass in order to get into the school and access the full curriculum.
- It is the time for you to put on your swimming trunks and **get your feet wet!** Whether you swim or drown will depend on your actions!
- Keep in mind that this is a **test of endurance**. Not giving up is the key to succeed. It is a marathon, not a sprint.
- The Piscine is **mostly automated** which means that your curriculum is mainly assessed and run by machines and you as a mortal human have to adapt.
- The **intra** is the interdimensional portal that allows you to **access** the **42-curriculum** based in 42 Paris.

<LABS />

- This is where you will be spending most of your time. 42KL has a total of **150 units of iMacs**. You can sit anywhere you like and use your **intra credentials to sign-in**.
- Lab space must be kept clean at all times, please **do not eat at your iMac station**. Drinks are allowed but if you spill it, you clean and you pay for any damages caused.
- Our labs are situated in **five different duplex units** in the building namely unit: 180, 181, 182, 190 and 191.
- The **main reception** is at **Unit 180** and the **staff room** is on the **top floor** of **Unit 180**.
- Labs are **open** every day for **24 hours**.

<COMMUNICATION />

- All communications will be carried out via Discord.
- There will be **channels for various topics**, and you are able to also create **channels for your team** members.
- You can **communicate with 42KL staff directly** through Discord or physically if you have any concerns you would like to share with us in private.
- Always keep an eye on your Discord for important announcements in the **#piscine-alerts channel**.
- Be open to **approach 42KL staff** members if you have any personal issues or if you need someone to talk to. **We don't bite** 😊

<CURRICULUM />

- During **weekdays** you will work on your **daily projects**. On the **intra** you will see these projects as c00, c01 etc.
- Once you have completed the submission of your daily projects, you will have to go through **peer evaluation**. You will be prompted on the **intra** to do so.
- Each student is required to **peer evaluate other students'** submissions. Again, you will be prompted on the intra to do this. There is a **scheduling system in the intra** for peer evaluation.
- Every **Friday**, you will have to sit for an **exam**. The first three exams are **4 hours** long. The **final exam** on the last Friday is **8 hours** long.
- When the exams are made available, announcements will be made and you must **subscribe** to the **exam event and exam project session (2 items)** on the **intra**. If you **fail to subscribe** within the allocated time, you will **get a zero** for your exam. No negotiation.

- During **exams**, you will have **no internet access**, no access to your notes and you absolutely **cannot use your phone**. Any **cheating** will result in an **immediate zero**. You can bring in a blank white paper.
- During **weekends**, you are required to work on **team projects** called **Rush**. Rushes are made **available** right after the exam ends **every Friday night**. You must **subscribe** to the Rush when it becomes available. The **intra** will assign you with your **team** members of **maximum 3** individuals.
- **Rushes** are to be **submitted end of Sunday** and will be **evaluated** by 42KL **staff** members. You must **sign-up** for the **evaluation process** called the **Defence**. During the Defence, staff members will go through your project with your team. The evaluation will be carried out on Mondays, Tuesdays and sometime on Wednesdays.

<CULTURE />

- 42KL is all about building a **community of individuals** who are extremely **independent** but at the same time are capable to **collaborate** and practice valuable **knowledge sharing** with others in need.

Respect your **peers** and your **environment**. We do not want to breed toxicity in a place dedicated for learning.
